

Organic Chanca Piedra Tincture & Extract Liquid

Description

One of the most sought after lab grade ingredients in the world, this amazing organic and natural herb from the rainforests of the Amazon is called the “**stone breaker**” or “**stone crusher**” because of its legendary ability to support your body with kidney stones and gallstones. Our Organic Chanca Piedra helps Maintain optimal liver health and has a powerful detoxifying and balancing effect for the urinary and digestive system.

Ingredients

Phyllanthus Niruri (Chanca Piedra)*, Rosemary*, Lemon*. ***Organic Ingredients**

Directions

Dilute 1oz of Chanca Piedra In 4oz of Water/Juice.
(you can also take it straight)

CLEANSE

Use 2 Tbsp (1oz) daily until gone. Repeat as often as needed. 4 times per year is recommended.

KIDNEY & GALLBLADDER

Use 2 Tbsp (1oz), before each meal 3 times per day. Continue this process if you know that the stones are fairly large or numerous. Reduce as symptoms & pain are minimized.

MAINTENANCE

Use 2 Tbsp (1oz) every 1 week, or more often if needed. Use weekly to help in the prevention of future stones.

TAKE 30 MIN BEFORE EATING • SHAKE BEFORE USING • REFRIGERATE AFTER OPENING

Related Products

Testimonials

★★★★★ Denise C. – Verified Buyer

“I have used other brands that have a strong sweet taste with all the alcohols. This one has no alcohol, is mild in taste, and can be taken as/is without water, as if it was already diluted. It seems to be working because I was having some pain and I took a dose and within 1 minute the pain was going away.”
